

XNAT DATA USE FORM

If you wish to give access to your account to anyone else, please complete the following letter and email to Cristy Matan (matacm@upmc.edu) and be sure to cc Stephen Hegedus (sjh38@pitt.edu)

Dear Ms. Matan

I, _____, would like to grant access to my data for account(s) _____ (account name(s) _____ to (staff name(s)) _____ on the MRRRC XNAT server. I understand that I take complete and full responsibility for the appropriate use of that data by the individuals named. In making this request I am confirming that all appropriate data sharing and privacy requirements under HIPAA and IRB guidelines have been met. I also understand that until I rescind this request, that they will have access and if for any reason they should not have access I will inform the MRRRC immediately. I also understand that removal of this privilege may take some time. I am copying my chairman (name) so that (he/she) is aware of this agreement should any issues arise in the future from this data sharing.
